Story: Cole Forge has a whole passel of fellers spellbound down at the Livery. Ever since he read some dang book by some Frenchy, name of Jules Vern. Cole spreads them yarns and all those cowpokes could be used as a fly catchers what with all them gapping mouths. But this last yarn is a bit hard to swallow, it was one thing to talk about wagons that don't use horses, but machines that fly, Nahh, Cole has lost a couple of rivets in his brain.

Set up: Shotgun staged safely at Position 3. Pistols loaded and holstered.

ATB: With rifle in hand, alternate on the two swinging targets for ten.

Pick up shotgun and engage the Pop-up targets, any misses on the pop-up, can be made up on the shotgun dump target. Move to position #1 and alternate on the pistol targets for ten, from either direction.
