#### **GERMAN BOB ASSALTED BY TARGET - IS FINE AND VOWS TO GET BACK AT THE TARGETS!!**

With the battle of Northern Aggression still fresh in the minds of the citizenry of Chabot, it was with a little suspicion when a union soldier showed up and began asking questions about the whisky being served in the Saloons.

The Saloon owners have been concerned that the government might be after their secret of brewing whisky, well not any whisky, just the finest whisky in the country. The Government figured if they could obtain the receipt they would be able to keep the troops happy and they

might stay in longer.

The saloon owners grew more suspicious when an exotic woman was seen with the union officer and they began to frequent all of the drinking establishments along Main Street. After visiting all of the Saloons on Main Street, and not having to pay for any drinks, the mystery spy had obtained not only the famous whisky recipe, but all of the secret mixology information west of the Mississippi. With a smile on her face the "spy" and her union escort left town promising to return shortly.

Thanks to all for extending a welcome to the visiting union soldier, and his mom AKA the exotic woman, and showing them the ropes and letting them shoot.

Tons of cowboys and cowgirls came to shoot the least challenging shoot in California. It is so easy that most of the shooters shoot blind folded. Yep, it is that easy. Sand Dab took top spot followed closely by Dice (just 16 seconds) then came Tully Mars, Rowdy Yates and Vespa Rado.

#### **READY & ABLE ANNIE DEFENDS DADS HONOR AGAINST SALOON RUFFIANS!!**

*Stage One*

Minding her own business, quietly sipping a sarsaparilla, some big mean cowboys started telling lies about her dear old dad. Claiming stuff like "it was more than one sheep", and in fact it he used "air guns" in the shoots, but when one of the ruffian bumped her and spilt some of her sarsaparilla,

Ready & Able Annie had had enough. Turning on the ruffians she calmly told them "she would settle this outside". With only her sixgun, rifle, and shotgun, Annie stood alone in Main Street. When one of the ruffians went for his gun Annie let them have it, ending the discussion once and for all.

Yes she was seventh overall. First was Dice followed by Sand Dab, Tully Mars, Rowdy Yates and Cyrus Sidewinder.

### **CYRUS SIDEWINDER EXCLAIMS "HE'S THE ONE!!!"**

*Stage two & three*

Twenty-six ruffians stood in the way of Cyrus's much deserved shot of whisky waiting for him at Shaniko Gaming and Billiard Palace. With a smoldering cigar dangling from his mouth Cyrus asked them to give him some drinking room. But before they moved one of the ruffians asked if he was the infamous gunslinger who got a penalty for just being ugly?

"Only my friends know that", and before the words reached their ears, Cyrus was blazing away with his sixguns, street sweeper, and trusty Winchester. Nary a one was left, in a tad over 45 seconds (23th in stage 2 and 1<sup>st</sup> in stage three). Whew.....

Dice was king of the SASS type stage with a 1<sup>st</sup> and 2<sup>nd</sup>, followed by Sand Dab, Tully Mars, and Bull Renner then Cyrus.

### **4-EYE DICK SAVES OPTOMETRIST OFFICE!!!**

*Stage three*

Owning the only optometrist office West of the Mississippi can be a trying experience stated 4-Eye Dick. Putting up with the daily jokes can be trying but 4-Eye Dick takes it all in stride. Last week more than 20 cowboys strolled into the optometrist's office looking for trouble. First they started making fun of the glasses, then started trying on the new-fangled sun glasses, but when they got to the eye glass frame display 4-Eye skinned his smoke wagon and proceeded to blast the cowboys into submission - saving the optometrist office.

How 4-Eye Dick came up with this alias is anybody's guess. Anyhoo, Dick took 3<sup>rd</sup> overall. First was Sand Dab followed by Dice the 4-Eye Dick, Rough and Ready Rob and Vespa Rado.

### **HICKS MOUNTAIN HONEY NEARLY BEATS MAIN SQUEEZE SAN DAB.**

*Stage five*

It was a quiet poker game at the Flaco Dance Hall as Ms Honey had been getting the best of the other poker players for most of the night. Her instincts were spot on as she racked in pot after pot. Playing at the same table were Flaco, Dice, Vespa Rado and, rumored to be her main squeeze, Sand Dab Sam.

At just past 3 in the morning she called for the last hand and the cards were dealt. After several rounds of betting it was just her and Sand Dab. As the final cards were revealed Sand Dab showed a higher straight and took the last pot of the night - just barely.

Ah yes the bonus stage. Sand Dab was 5<sup>th</sup> beating Ms Honey by a mere 3.36 seconds - oh so close. Tops was

Tully Mars followed by Vespa Rado and Rowdy Yates.
