Citing dissatisfaction with the Republican Party and the Tea Party the illustrious Mayor Long Horn announced his run for the Presidency under a new party (organized over a poker table in the Gouge Eye Saloon) - the Whiskey Party.

The Parties main positions include:

1. No taxes - yep none so consumers have more money for whiskey.
2. No pension for any elected officials - will save a fortune.
3. Limit of one term for any elected official.
4. Global warming - don't care should help fermenting whiskey.
5. Other stuff - again don't care.
6. Right to carry - only complete idiots won't be allowed to carry.

7. No closing time for saloons and Bars.

So do not forget to vote!

And this from our Mayor:

Now Cyrus was the cook for the Circle C outfit up at Chabot and never throw'e nothin away

And old rowdy, the Boss, was thigh as bark on a tree and he liked it that way

Sourdough, beans and coffee were about all we had to eat

If another outfits' stray came our way then we would have meat.

Now cowboys will eat most anything, put up with a lot of wrongs

But they daw the line about coffee if isn't black and strong.

Arbuckles was their brand, the only kind they knew

They'd up and go to town if Cyrus tried something new.

Rowdy rode out to the wagon one day just to see what it was about

Headed straight for the coffee pot as quick as he could dismount

Cyrus, I know I said to save money, on that we agree

But this coffee I just poured tastes a lot like mule pee

Ol'Cyrus stammered, Rowdy, you said to save but I can't help the taste

You see ol'Cactus ate the grounds and couldn't let them go to waste.

Yours Longhorn - title; Cactus the mule ate the Grounds.

Thanks for the help puttin up and taking down the targets. The knockdowns are so easy now we should have more of them.

**Also; NEXT SHOOT LETS HAVE  
SOME WILD BUNCH SHOOTING -  
CHABOT STYLE OF COURSE.**

*Stage one*

Two brave cowboys came to the rescue of a helpless lady yesterday as she strolled down Fremont Street, outside Plug Nickel's Five and Dime

Store, Brandy Rose was confronted by over 20 ruffians.

**FEATURES**

Being her first time on the notorious Fremont Street, Rose didn't know what to do. But before she could call for help Panhandle and Gus (returning from bible study), stepped in between the ruffians and Rose. When one of the ruffians stuck his hand into his jacket Panhandle and Gus drew down on the bunch and "let them have it", saving Rose from harm.

Sand Dab was first followed by Salt Pork, Hank Dodge and Mortimer Pestle.

**WOLF ASHCROFT GIVES UP BARTENDING TO START MINISTRY!!!**  
*Stage Two and Three*  
Having been weaned on whiskey since being born Wolf was being groomed to take over the Howling Wolf gambling and liquor empire. Being taught in the fine art of watering down whiskey, dealing seconds and loading dice, Wolf was on his way.  
After a successful night of fleecing the cowboy and selling (at a 800% profit) their Howling Wolf whiskey (one part whiskey, 7 parts water and 2 parts "other stuff") Wolf was confronted with 26 unhappy, and broke, cowboys.

Going for their weapons Wolf drew down and a mighty gunfight broke out. After the smoke cleared the 26 hooligans were taking a dirt nap and Wolf was unscathed. With not even a scratch Wolf decided not to push his luck and start a church.  
Wolf took a 7<sup>th</sup> and 6<sup>th</sup> respectively - not to shabby.

**DIABLO CLEANS UP THE TOWN!!**  
*Stage four*  
After a long night in the Saloon playing Texas Hold-em and sipping on Brandy Diablo was ahead by a pretty large margin. As the last hand was being dealt the table limits were removed so this was all or nothing. Not trusting the players at the table Diablo kept a close eye on the deal. When the betting between two of the players started to get high Diablo began to suspect seconds were being dealt. With the betting done Diablo showed to full boat, kings over, and appeared to be beat by another boat with aces over. The only problem was with all the hands showing there was too many aces. Distracting the players with his "bling" he drew "45" and Diablo declared his hand was the "power".

Short stroke ver. 8 . . . . .6

Some confederates of the bent gamblers started to come to the rescue of their covered friends so Diablo let 'm have it - with pistol, rifle and shotgun. When the smoke cleared Diablo was indeed the winner.  
First was Sand Dab followed by Hank Dodge and Dice. Diablo was clean and 9<sup>th</sup>.

**JASPER CLEARS OUT SALOON!**  
*Stage five*  
"This is what I saw," exclaimed Loon A Tick , owner and proprietor of Loonies Saloon Deli & Bordello, "Bruno Billy comes in, whooping n' hollowing, about how he was going to get the guy who et his canollie. After putt'n holes in dang near every piece of furniture in the place, Jasper, who was minding his own business trying to finish his steak, took exception to the bullet that pierced his T-bone. Then all hell broke loose, Jasper gets up and starts shooting back. - and he is mad, I mean real made. Well Billy realizing he's in the wrong place made a hasty retreat with all my other patrons."  
Well after the smoke cleared, thanks to his uncanny marksmanship, no-ones was hurt, and he offered to replace all the damaged fixtures. First

was Hank Dodge followed by Sand Dab  
and Tully Mars. Jasper, clean, took  
FOURTH.
