SAND DAB TAKES A MULLIGAN - FIRST TIME IN TWENTY YEARS!

SUNDANCE BACK IN TOWN AFTER TOUR OF EUROPE WITH WILD WEST SHOW!

JASPER CLOSE TO CLEANING MATCH - FILES APPEAL TO CONFIRM MISSES!!!

With only a few plots of land available, and the big land barrens sitting on the prime grazing areas, the government thought that the land lottery would be the far way of distributing the last remaining plots of land.

But the organizers did not expect over 30,000 cowboys to show up to enter the lottery (well actually only 22 showed up, but it sounds better with a larger number). Among the honest (?) participants were the usual gang of gambler, pick-pockets, desperadoes, outlaws, bandits, miscreants, and just mean people.

To keep law and order the town officials called on Deputy Dan to enforce the strict town laws on gun play and gambling (strict laws??). To help Dan deputized Sundance, Captain Buffalo, and German Bob, but even

with all this fire power the onslaught of the likes of Tully Mars, and Dice Splinter could not be stopped. It was then that the new mayor, Percy Hallen, declared a curfew and ordered everybody into the local saloons, with happy hour regulations, until sunup. With great eagerness the streets cleared, the lottery forgotten and calm returned to the little town of Chabot.

It was a perfect day for shooting and twenty-two shooters showed up to engage whatever was put out in front of them. Tully Mar came to the shoot ready for bear. After hearing about Dice Splinter and Sand Dab Sam winning this and winning that, he decided he would show them who was top gun. With his trusty Colts, Winchester rifle and shotgun, Tully dominated the shoot beating Dice by more than 80 seconds - that's right 80 seconds, I checked the results and had an independent consulting firm check the results - he destroyed, annihilated, demolished the competition. The negative 25.66 seconds in the last stage cinched the outcome.

Tops was Tully Mars followed by Dice Splinter, Sand Dab Sam, Jasper, and German Bob.

DEPUTY DAN AND FLACO SAVE WHISKEY SHIPMENT!!

Stage one

Entrusted with getting "the whiskey through" Deputy Dan and Flaco, two of Pinkertons most experienced guards, were moving through the Chabot pass, ready for anything, knowing that the El Paso Gasso Gang, or worse the Free Grassers, were in the area.

At a bend in the road a fallen tree blocked their progress, and as the stage pulled up, a masked bandit appeared from behind a tree and ordered the two to "throw down the booze." Deputy Dan refused the order and went for his scattergun, but grabbed an open bottle of whiskey and let it fly towards the bandits. The bandits immediately gave chase and the stage was allowed to pass.

Deputy Dan gotta a 4th and Flaco gotta a 7th. First was Tully Mars, followed by Sand Dab Sam, Dice Splinter, Deputy Dan and Jasper.

**LEAPIN OTIS GUNS DOWN
WOULD BE ROBBERS!!**

Stage two & three

Returning from his night college course on Mixology Leapin noticed some masked men leaving rear of the Bank. Figuring this was not the normal way of withdrawing money he yelled at them to stop. Stop they did, but seeing one lone cowboy, without the law, the bandits decided they could handle the situation. Laying down their bags of ill-gotten loot, the 28 badmen approached Leapin, unaware that Leapin always went to class with his shotgun, Winchester, and six-shooters (tough night class).

In a flash of blinding speed and lead Leapin started in on the bad guys with his shotgun, sixguns and rifle. In less than half a minute Leapin had rid the West of some miscreants, and saved the banks money. Leapin gotta sixth and a second in stages 2 and 3 respectively. Not too shabby. In stage 3 the difference between 1st and 2nd was .61 seconds.

**JASPER AND CYUS SIDEWINDER
HAVE GUNFIGHT ON MAIN
STREET!!**

Stage four

The debate over one handed shooting verses two handed shooting had been going on between Cyrus and Jasper for as long as anybody could remember. Jasper would argue the "that's the way the cowboys shot their guns back in the old West," and Cyrus would fire back, "any idiot can see that two hands are better than one," then "less filling," and "tastes great," and on and on and on...

The two finally ran out of things to say and they faced each other on Main Street, the bystanders along Main Street stared in silence at the scene unfolding in front of them. In less than it takes Jasper to down a shot of Jack (which is pretty damn fast) both Cyrus and Jasper were shooting it out. After emptying sixguns, rifles, and shotguns, both were still standing proving that it doesn't matter how many hands you use, it's how you use them.

In this stage two hands beat one with Cyrus taking a 2nd place and Jasper an 8th (although Jasper was 4th overall). First was Tully Mars then Cyrus, German Bob, Sand Dab Sam and Oklahoma Jones.

**DEPUTY DAN CLEANS UP RED
LIGHT DISTRICT!!!**

Stage five

With his new commission as Deputy, Dan swore to uphold the laws of the land and made the town of Chabot safe for its citizens. This did not sit well with the brothel owners who ran the South side of town, on the other side of the tracks. With this threat to their business a plan was set in motion to lure the Deputy into the district and gun him down.

What they did not count on is

Deputy Dan's sharp mind (most of the town folk overlooked this aspect of the Deputy) and his quick gun. As he approached the district 18 hired guns lay in wait. But they were too slow. The Deputy approached with sixguns blazen, when they were empty he used his rifle riding the town of the back shooters. With the threat gone, the Deputy was last seen entering one of the parlors to conduct some official business.

With pistol and rifle Deputy Dan took an 11th. First was Tully Mars with a ton of bonuses (he got a negative 25 seconds) he was followed by Dice Splinter then Jasper, Rowdy Yates, and Oklahoma Jones.
