VESPA RADO OPENS NEW SHOOTING SCHOOL – REQUIRED FOR ALL THE TOP

These bank robbers were like a bad pair of underwear, no matter what you did, they just kept riding up on you," exclaimed acting town Sheriff Doc Hardcase. After three successful bank robberies in the area Doc Hardcase was having a hard time tracking down the villains. He had to bring in some outside guns, some hired help. But who? Who could track down these villains?

There was that famous Private Dick, Dead Eye Dick, but he pretty much stuck to his new territory in Nevada. There was that once famous gunfighter, what was his nameoh'ya, J.C. Boggs.. But no one's see him for ages - rumor has it he was killed in a gun-fight when he brought a .38 to a gunfight. Who then, who

could he turn to. Why not hire a crook to catch a crook. Although not very successful, the most infamous outlaw in the territory was Horatio Ignatious Thompson. And since the past robberies were successful, I was pretty sure his gang did not commit them. Doc wanted to stake out a bank, while Horatio thought it would be better to stake out a saloon (he did not explain why). Well after eight hours staking out the Shaniko Savings & Loan, Doc and Horatio ended up in the Wolfy Pleasure Palace Saloon. After the 42nd shot of Wolfy's special Tequila an explosion at the bank rocked the saloon.

Stumbling out of their chairs we ran to the door only to run into six strangers running into the saloon. All of us were knocked ass-over-tea-kettle. I recognized one of the six as The Rev., a prominent traveling pitch man (he is a hair tonic distributor for the West Coast - the tonic can rejuvenate hair and remove most any stain, it is even used in saloons to clean up their bars).

As the Rev. and the other five (later identified as 4-Eye Dick, Dr. Tall Trousers, Appalachian Assassin, Bruno Billy and Mortimer Pestle fell backwards shiny new gold coins fell from their pockets. It didn't take a

train engineer (the equivalent of a rocket scientist in the 20th century) to realize we had knocked over the gang that knocked over the bank.

See'n that Horatio and Doc weren't in any shape to draw their guns, and since the Rev's Gang was a little embarrassed at being caught red-handed, and they promised not to rob any banks in Doc's jurisdiction, Doc decided to buy a few more rounds (El Paso did seem to ask a lot of questions regarding the bank jobs?)

Another good turnout, twenty-four cowboys showed up. The weather was perfect, with a mild temperature of 78 degrees with a light breeze. The targets, set a mere 8 feet away were so big that they blocked out the sun and solved the global warming problem. Everybody shoot clean, but to keep people from coming to the shoot they all agreed to add misses so that the shoot appeared to be more difficult.

PLUG NICKEL CLEANS UP CROOKED GAME OF CHANCE!!!

Stage one

The smoke hung low, like a dense fog on the prairie. Plug Nickel his back to the wall, looked at the others sitt'n at the table and wondered if twenty-miles of a railroad would take the pot, which stood at 600 dollars. Dr. Tall Trousers, his face expressionless, didn't take any cards, Hicks Mountain Honey, with a pile of chips in front of her took one, Widows Sons took three muttering something about an inside straight, and the Vespa Rado stood pat without looking at his cards.

The final bet was made and the cards were spread out on the table, revealing Dr. Tall's four of a kind. As he reached over to gather in his chips an Ace slipped out of his sleeve. There was a hushed silence at the table as Dr. Tall withdrew his hands and tried to explain that the coat used to

belong to Rowdy Yates, and he had just picked it up this afternoon. Before the explanation could clear, his mouth Plug had his rifle at the ready and Dr. Tall, seeing no percentage in staying, quickly left to find Rowdy.

Cyrus took the stage, followed by Tully Mars, Sand Dab Sam, Salt Pork Steve, and Plug Nickel.

READY & ABLE ANNIE PUTS ON INCREDIBLE DISPLAY OF SHOOTING!!

Stage two & three

Thirty-three ruffians stood in the way of Annie and her afternoon Tea (served at Honey's Gambling, Pastry and Tea Emporium) To be a Tea drinking gunfighter in this town requires a quick gun and a steady hand. Armed with her shotgun, two trusty Colts, and Winchester, Annie politely asked the ruffians to step aside. Then one of the evil-doers went for his gun Annie let loose with shotgun, then both sixguns, more shotgun and finished' m off with her rifle. In less than a one minute all of the bandits were suffering from Tea interruptus.

Our fast and furious SASS type stages. Annie did both in 43.36 finishing 6th and 2nd. Tops in both stages was Salt Pork Steve.

SHANIKO JACK and HERNADO REVOLVER USE NITRO TO SAVE TOWN!!

Stage three

When word spread that the Hardcase Gang was going to make another run at the liquor supply at Tully Mar's Gambling Emporium,

Shaniko and Hernando went to work. There was no way they could let The Hardcase Gang get their hands on the second best commodity in Tully's Emporium.

Armed with six-guns, street howitzers, and trusty Winchesters the two gallant cowboys waited by the front window overlooking the Main Street. Then they saw the Gang-all 26 of them. It didn't take long for our two heroes to realize that they needed more ammo, or some other edge against the gang.

Then Shaniko remembered the Nitro stored out back used to water down the Tequila. With Cigar clenched tightly between his teeth Shaniko went to retrieve the Nitro and with the nitro in hand he carefully moved to the center of Main Street and set the box down.

Seeing the nitro in his hands none of the Gang dared shoot - knowing with their aim they would most likely miss Shaniko, hit the box. So as quickly as they came into town the Gang turned and left. Tops was Salt Pork Steve then Sand Dab, Cyrus Sidewinder, Tully Mars, and Rowdy Yates.

4-EYE DICK SPOILS CLAIM JUMPING ATTEMPT!!

Stage six

As 4-Eye Dick lay under the night stars, (wide awake since it was midnight) a bunch of claim jumpers swarmed into camp. Pull'n his six shooters five of the bad guys were quickly sent on their way. Reach'n for his other sixgun, and making sure those that were just shot were down for good, the other bandits were sent to St. Peter's.

Dick took 8th. Tops was Sand Dab shooting so fast time went backwards and third was Annie.

GERMAN BOB'S ADVICE ON LIFE

You hear a lot of negative garbage these days about men: Men are pigs! Men are horn dogs! Men smell bad. They smoke, drink, fart and chase women --- on and on and on Well, friends there are lots of great things about men --- proud things, things that elevate us to demigod status at bowling alleys, and sporting events. In an effort to embrace our proud heritage of maleness, I bring you these reasons why it's great to be a man ---

1. Phone conversations are over in 30 seconds flat.
