VOL. III May 2018

For those who find fault in others work, spelling errors have been left in for their amusement.

JASPER OUT OF TOWN - ELECTED SHERIFF!!

LEFTY EASTMAN MISSES MORE THAN ONE TARGET – NO ONE CAN REMEMBER LAST TIME THAT HAPPENED!!

LIGHTNIN' BILL WANTS LARGER RIFLES FOR ALL MATCHES!!!

SIX STAGES – A CLEAR VIOLATION OF SASS – SHOOT ORGANIZER WILL BE FINED!!

With only a few plots of land available, and the land barrens sitting on the prime grazing areas, the government thought that a land lottery would be the fairest way of distributing the last remaining plots of land. But the organizers did not expect over 30,000 cowboys to show up to enter the lottery. Among the honest(?) participants were the usual gang of gamblers, pick-pockets, desperadoes, outlaws, bandits, miscreants, and just mean people.

To keep law and order the town officials call on Dirty Dog Doug and Sweet Tooth Kelly but even with all this fire power the onslaught of the likes of Sand Dab Sam (from up North), and Lefty Eastman could not be stopped. Finally the town council called for a curfew and ordered everybody into the local saloons until sunup. With great eagerness the streets cleared, the

lottery forgotten and calm returned to the little town of Coyote Valley.

It was a perfect day for shooting the big guns with multiple rifles (if needed) stoked 97's and small and distant targets and a famous lead slinger from up North showed up to show how to shoot the big guns – fast and accurate – yes you guessed it Sand Dab Sam showed up and was top gun. He did smell like gas and Dice couldn't make the shoot because his truck wouldn't start but that is another story for another time. It was neck to neck between Sand Dab and Lefty until the SASS speed stage and Lefty left too much lead in the dirt.

LIGHTNIN' BILL BUSTS OUT OF YUMA – THE DICE GANG SUSPECTED OF HELPING!!!

Stage one

This reporter received a note from a Yuma prison guard which claimed that Lightnin' (a notorious sheep rustler) was released. But another note surfaced which has been published to show how ruthless Lightnin' is. The note is from the same prison guard that claimed that Lightnin' was released.

**Do not believe anything Lightnin says,
he escaped from prison and should be
considered very dangerous so shoot on**

site.

We believe this not is the real story and if you spot Lightnin do not approach without your shotgun at the ready. Lightnin broke out of jail with the help of the Dice Gang using pistols, shotguns and rifles. All of the guards ducked for cover with the shooting started (knowing the bizarre accuracy of the Dice Gang) and the gang made their escape. The Yuma prison, the railroads, the Temperance league, and the Humane Society, are willing to pay a reward of \$13.56 for his capture.

Top gun for stage one was Lightnin' Bill followed by Sweet Tooth Kelly and Sand Dab Sam.

BANDITITOS YANQUI SPOTTED IN GOLD COUNTRY CASING LOCAL BANKS!!

Stage two

After an unsuccessful robbery attempt of the Virginia-Truckee-Coyote 3:10 from Yuma the Bandito's Yaquis (Sand Dab Sam and Rowdy Yates) were spotted up in the gold country around Mokelumne Hill, casing the Jackson Band and West Point Wells Fargo Office. Upon hearing the news Deputy Dirty Dog and Lucas McDennis saddled up and headed for Jackson, bound and determined to bring in the notorious pair.

Well what about the stage, where was the shooting, awe who cares, I'm sure we will not hear from these two ever again. Tops is the stage was Sand Dab followed

by Lefty Eastman and Sweet Tooth Kelly.

With his new commission as Marshal, Kelly (better known as Sweet Tooth Kelly) swore to uphold the laws of the land and make the town of Coyote safe for its citizens. With his treat their business a plan was set in motion to lure the Marshal into the district and gun him down.

What they did not count on is Marshal

**LEFTY EASTMAN SAVES WHISKEY
SHIPMENT**

Stage five

Being a bartender in the Gouge Eye Saloon has its responsibilities, especially with the increased pay the new owners promised him. When word got to town that the latest whiskey shipment was highjacked by some thieves down in Manteca Lefty gathered up his new custom sixguns (tuned and sighted by Jasper Gunsmithing) and mounted his trusty steed, then got on his horse and rode out for Manteca.

Half way to Manteca Lefty came upon the wagon train of whiskey surrounded by 15 dirty whiskey stealing hombres. Pulling up a close to riders Lefty drew his new six guns and began spewing lead at the bad guys. Needless to say lead flew all over the place not hitting one of the thieves. The thieves confused by the randomness of the shooting figured there must be dozens of law-dawgs shooting at them and abandoned the wagon train and Lefty was able to return the whiskey shipment to the town.

Lefty did not fair well at the close guys with a raw time of 6.96 seconds but three misses, arrrgh. Tops was Sand Dab followed by Rowdy Yates and then Lucas McDennis.

Grabber his shotgun and rifle he confronted the railroad men. As they went for their guns he opened up on them. Scattering 18 shots in their general direction the survey crew was last seen catching a train out of town.
