OLD WEST SHOOTING SOCIETY  
CHABOT COWBOY SHOOTS - WHERE REAL MEN SHOOT REAL GUNS

IN MEMORY OF PHIL BARTLETT, AKA LONG HORN: 12/31/1932 – 12/2013

Vol. VI Nov. 2013

*For those who find fault in others work, spelling errors have been left in for their amusement.*

This past month Longhorn, the Mayor of Chabot, passed away. Long Horn started cowboy shooting in 2002, but was a frequent presence prior to shooting. It was always a pleasure shooting with him, or just B.S.ing around the campfire over which he could work the cast iron pots and pans with like a master chef. For the shoots he was a great help designing and arranging to have the shooters pins available and working on anything else that needed to be done. In addition to shooting six-guns Long Horn was an active cannon shooter and member of the ancient and honorable society of E. Clampus Vitus.

I am fortunate to have known Long Horn and, as is all to common in these circumstance, I regret that I did not know him better. I am sure he (along with Buck Shot) is planning the first cannon shoot in heaven and I am sure it will go off with a bang. See you at the next shoot.
