SALT PORK STEVE FILES PROTEST WITH SASS – “NO WAY SAND DAB IS SO FAST!”

READY AND ABLE ANNE FINISHES 6TH OVERALL – AGAIN. SEVERAL COWBOYS LEAVE TOWN IN PROTEST.

45-90 WCF NOW THE PISTOL CALIBER OF THE DECADE.

In a dramatic turn around the town council of Chabot reversed their prior vote and voted down the proposed Mega saloon proposed by the Howling Wolf Saloon and Gaming Corporation and CEO Gus Ashcroft left the meeting promising to start recall petitions as soon as possible. The town council seemed unfazed as they had paid handsomely for their council seats and could not imagine anyone voting against them.

The town council votes were influenced by the Gouge Eye Saloon and their many hired guns. Gus promised to bring in his own guns for hire but until then promised to begin selling Saloon franchises – for a mere \$125,000.00 one can open up a

Howling Wolf Saloon. The anticipated openings would bury the Gouge Eye and Gus would rule the town of Chabot. Then he could have control over the best trade route West of the Mississippi and become Governor of California.

After the vote 55 rowdy and slightly inebriated cowboys, and girls, braved the cool weather and engaged the traditionally huge, up close targets. For the second time this year SASS rules were followed to the letter. This resulted in incredibly fast times and 239 entrants were disqualified for various infractions of the well written and easily followed rules. Of the 55 shooters only the top 20 counted as it was discovered that the other 35 were not SASS members so they don't count.

The top cowboy was Sand Dab who shot so fast on stage five that time went backwards – it was incredible. Following Sand Dab was Salt Pork Steve, German Bon, Vespa Rado and \$-Eye Dick. Top cowgirl was Ready and Able Annie followed by Hick's Mountain Honey. Thanks to all that helped take out the steel and put it away.

BRANDY ROSE CLEANS HOUSE!!

Stage one

The famous dancer, and singer, Brandy Rose was performing for one night at the Howling Wolf Pleasure Palace & Card Room. How this saloon got such a classy act is a mystery to this reporter – even if she knows the owner. There was standing room only as a diverse crowd awaited Brandy's appearance. Unfortunately among the crowd were the unsavory types that usually associated themselves with Howling's establishment.

As the curtain was lifted to reveal the great Brandy Rose some of the patrons could not resist pulling out their side-arms and discharging them into the air.

This greatly upset Mrs. Rose but in response she pulled out her own sixgun and thus began a very entertaining exchange of gunfire, with Brandy, "cleaning house" as it were. Well it could happen. Brandy took 5th overall. First was Salt Pork Steve followed by 4-Eye Dick, Sand Dab Sam, German Bob and Brandy Rose.

SALT PORK STEVE CLEANS HOUSE!!!

Stage two and three

While attempting to have a nice quiet poker game Salt Pork noticed that the Belfast Kid, and Forrest Fire, were winning a lion's share of the pots (usually only the big ones). After two hours of losing hand after hand, Salt Pork finally figured out the pair were dealing seconds, and working the table.

Crying foul Salt Pork overturned the table and began blasting away with sixguns, and shotgun. Under the cover of smoke, both the Kid and Forrest Fire unharmed, vowing never to return to Salt Pork's table. After the smoke cleared Salt Pork left for the night not being able to find anybody to play poker with.

Salt Pork got first for both the speed stages. Ready and Able Anne gotta 3rd and 5th, Sand Dab a 6th and 4th, and Cyrus a 4th and 7th.

GANG ROBS BANK AND GETS AWAY - EL PASSO GASSO GANG NOT SUSPECTED!!

Stage four

The successful morning robbery of the Mr. Belfast Kid's Bank of Ireland shocked the small town of Chabot. After numerous unsuccessful attempts by the El Passo Gang, the townsfolk just assumed that they would never have a successful robbery. But last Sunday five cowboys burst into the Bank and, with an air of professionalism never seen by the employees or customers (having witnessed many of El Passo's attempts) the five desperadoes gathered up all of the money in the safe (estimated to be about \$175,000 in cash - money that the whiskey barons received for their water downed whiskey). And without a shot being fired the five very professional, and well-dressed I might add, strolled out of the bank, and rode out of town.

Because of the robbery success thought to pursuing the El Passo Gang. But who were these desperate characters? The only lead that Deputy Sidewinder had was from Dr. Tall Trousers who saw German Bob behind the bank putting on a mask. But knowing he could have been preparing for some sort of adult party game there were no suspects. But

soon after the robbery the saloon owners were seen conferring with their insurance company to make a claim for the stolen money.

Sand Dab was tops in the stage followed by German Bon, Vespa Rado, Panhandle Place, and Salt Pork Steve. Top cowgirl was Ready and Able Anne - 6th overall.

BRAKEMAN JOHN GUNS DOWN RUSTLERS - SAVES HERD!!

Stage five

Do not bring a knife to a gunfight, and if your facing Brakeman John (the scourge of the West), bring more than 14 men and bring a rifle that is not a .38. With his trusty Winchester, and two sixshooters, Brakeman faced down a gang of rustlers. Asking them to put up their irons, the gang made the mistake of going for the smoke wagons. In less than a 1/2 a minute Brakeman laid waste to the gang and saved the cattle.

That's right. With rifle and sixgun Brakeman got'm in a tad over 22 seconds - and they were all knock-down targets. Numero-uno was Sand Dab and with shooting the bonus target ended up with a negative .16 seconds. Following Sand Dab was German Bob, Panhandle Place, Vespa Rado, and Brakeman John.
